### Right To Information Act (RTI) 2005

#### **Bringing Information to the Citizens**

Right to Information Act 2005 mandates timely response to citizen requests for institute information. It is an initiative taken by Department of Personnel and Training, Ministry of Personnel, Public Grievances to provide a- RTI Portal Gateway to the citizens for quick search of information on the details of first Appellate Authorities, PIOs etc. amongst others, besides access to RTI related information / disclosures published on the web.

#### **Objective of the Right to Information Act :**

The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Institute, contain corruption, and make our democracy work for the people in real sense. It goes without saying that an informed citizen is better equipped to keep necessary vigil on the instruments of governance and make the institute more accountable to the governed. The Act is a big step towards making the citizens informed about the activities of the institute.
